

## Renewing Hope in Our Community

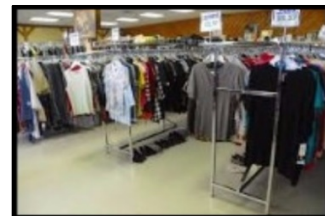

*"For freedom Christ has set us free; stand firm therefore,  
and do not submit again to a yoke of slavery."*

Galatians 5:1

When you think of the Idaho Falls Rescue Mission you probably think of homeless people receiving a hot meal and a warm place to stay. **Rescue** is *only the first step* in rehabilitating the homeless!

We are excited to announce that we are experiencing a **re-birth as a mission**. This re-birth is bringing *two additional processes*: **recovery** and **restoration**. We have a new recovery program, **Renewed Life Recovery**, and through this program we will be growing and expanding the **recovery** and **restoration** portions of our ministry.

### Our New Vocation Training Programs

We will offer 3 vocational training programs. Culinary Arts, Renewed Life Motors and Thrift Store Retail. Through these programs we will offer practical job training that fits the person's interests and talents and will allow them to be self-sustaining members of society.

## A Big Thank You

We want to say *thank you* to our many volunteers. Without you this ministry would not be able to do what it does! We have so many amazing people that come in and provide meals for our guests. Without them we couldn't do what we do. Here are some pictures of recent meal times.
